Dear Supporter of the Fine Arts,

On behalf of the Kaneland Community Fine Arts Festival and the more than 3,000 community members served by the festival annually since 1998, you are invited, in partnership with Kaneland Community Unit School District No. 302 to support the 11th annual **Kaneland Community Fine Arts Festival (KCFAF)**. The mission of the KCFAF is to *encourage young people's involvement in artistic endeavors and to challenge them to develop their abilities.*

The KCFAF, held this year on Sunday, April 19, 2009, from 11:00am – 6:00pm, will involve more than 30 professional, contracted artists from the Chicagoland area representing multiple artistic disciplines. Attendance is anticipated to exceed 3,500 people. This unique event is one of the only festivals in the State of Illinois supported by a school district to present professional artists free of charge to festival attendees. The KCFAF will be held at Kaneland High School and in addition to the professional visual and performing artists, will feature a juried art show with cash awards and student artwork from all of the schools within the district. All this community arts excitement adds up to *multiple opportunities for premium sponsor visibility.*

Enclosed please find materials outlining sponsorship levels and corresponding benefits for this year's family-friendly, high-visibility event.

Thank you for your commitment to the Kaneland community and for considering partnering with the Kaneland Community Fine Arts Festival. Please feel free to direct any questions to Maria Dripps-Paulson, KCFAF Community Liaison at 630-365-5100, ext. 180, or via e-mail at Maria.DrippsPaulson@kaneland.org.

Sincerely,

Maria Dripps-Paulson
KCFAF Community Liaison
