Dear Volunteer,

The Fine Arts Festival Committee is happy to announce the date of this year's festival. The Festival will be held on Sunday, April 19th in the late morning through that evening. A variety of visual and performing artists will be participating in the festival.

We are currently looking for volunteers who would be interested in lending a helping hand during the day of the Festival. A volunteer's job could consist of showing groups to the rooms where they will warm-up and store their belongings, making sure that those belongings of artists and performers are kept safe while they are demonstrating or performing, or assisting the visual artists if they need help setting up for their demonstrations. A list of the various jobs and an exact timeline will be produced at a later date.

The approximate time volunteers will be needed is Sunday from 10:00 a.m. – 6:00 p.m. I have tried to keep most of the volunteer shifts around one hour so that volunteers will have an opportunity to partake in the festival before and after their shifts are completed. Please contact me directly by e-mail or phone if you are interested in volunteering your time for the Kaneland Community Fine Arts Festival. Or, simply return the form below to your local school's art teacher. We look forward to hearing from you.

Thank You.

Sincerely,
Brandon Fox
